In the G.O. of 19th Feb. last the Services of the temporary Judge Clerk were extended for ~~one year~~ a further period of one year from the 18th. October 1911. But the Archæological Officer, while suggesting the reappropriation for meeting the pay of the Clerk during the current year sent away at the end of September 1911 reported that the Clerk was re-engaged on the 18th March 1912. The period of re-engagement has therefore to count from the 18th March 1912 instead of 18th. October 1911. As provision for 9 months' instead of 4 months' pay should be made in the next year's budget an order amending the Govt Pro. of 19th Feb. ~~is submitted~~ appears to be necessary.

Sir,

I have the honour to state that, as the services of the temporary Index-clerk on Rs 20/- had to be dispensed with from the 1st ultimo in accordance with G.O. No. G 5555-6/G.M 45-10-16 dated the 25 March 1911, the English clerk on Rs 25/- has been very much handicapped in the work of preparing the indese, which is therefore making very slow progress.

2. The services of a temporary clerk for a further period are absolutely necessary, as otherwise the completion of the indese cannot but be indefinitely postponed in view of the magnitude of the work that yet remains to be done, inasmuch as a single hand working at it, however industrious, cannot be expected to show much progress in a work of this kind, requiring, as it does, a constant reference to the volumes to ensure the correctness of the entries.

(2)

3. I therefore request that in view of the magnitude and importance of the work, Government may be pleased to extend the services of the temporary clerk for a further period of one year.

4. In the course of the current official year, the expenditure of the Department will be carefully watched to see if any amount will become available for re-appropriation.

I have the honour to be,

Sir,

your most obedient servant,

L. Narasimhachar
